Happy Summertime!!

We trust we will all enjoy the sunshine, and some Relaxation in the weeks ahead, and appreciate many special blessings.

In the uncertainty of events nationally and internationally, we may be sure that our God is faithful, and we can trust Him as things change from day to day. His word assures us that 'He is unchanging', so let us rest in that knowledge, and remain in His loving care. Enjoy the summer,

Every Blessing

Anne Chisholm

Friday Gang's last meeting for this session took the form of a 'Family Fun Night', and we were pleased to welcome lots of family members, as we enjoyed fun and games together.

For the last number of weeks we have been remembering that God gave us 5 senses, and we enjoyed stories, craft activities and games around this theme.

Thank you to everyone who has helped with these sessions.

Please encourage anyone in the village to leave PRAYER REQUESTS in the "post box" in the Village Pantry, next door to the church.

Psalm 121:7-8

⁷ The LORD will keep you from all harm

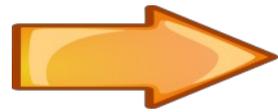

He will watch over your life;

⁸ the LORD will watch over your coming and going

both now and forevermore.

Try Colouring

This picture

Colouring books for adults seem to be very popular at the moment, with sales rising unceasingly as more and more people patiently and quietly choose colours, fill in outlines and produce something Satisfying.

Quite a number of Christian-themed

books are available too.

What a difference we see between an outline picture, and one that has been coloured. Its quite amazing!

Belonging to the Lord, and know "life in all its fullness is like seeing the coloured picture. What a difference Jesus can make when we live in Him, and are led and empowered by His Spirit.

And a prayer:-

Dear Lord,

May we enjoy 'life to the full' as we love and serve you. Help us to show to others the joy to be found in knowing Jesus as Saviour and Lord. Amen
