

## “Who moved the stone?”

Over 50 years ago, Frank Morison set out to write about the last days of Jesus’ life, convinced that the gospel records were unreliable and that the resurrection never took place.

But as he began to look closely at all the evidence, he found it too convincing to dismiss.

The book he planned to contradict Christian belief in Christ’s resurrection became a powerfully reasoned document in its defence, and has helped and encouraged many people over the years.

Dear Lord,

May your resurrection presence be very real to each one of us,  
as we share in your love and joy

In our risen Saviours name.

Amen.

Issue 109

Mar/April 2017

Happy Springtime!!

Its good to feel we can look forward to many ‘new life’ signs as we begin this special time of the year.

As we commence the period of Lent at the beginning of March, may we really draw nearer to the Lord as we remember His passion, and death, and then rejoice together in His glorious resurrection.

May our commitment to Him become more firm, as we share in worship, praise and witness this Easter time.

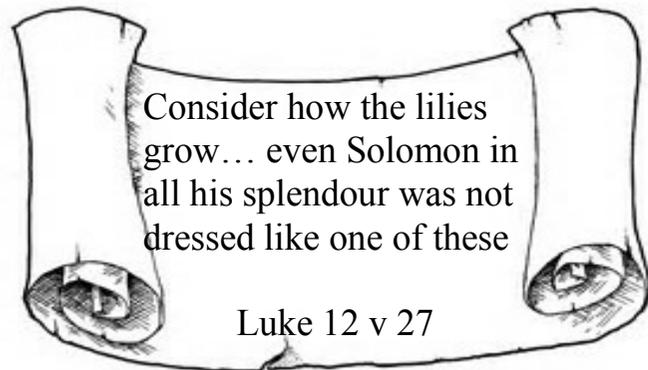

Every Blessing

*Anne Chisholm*

# Looking Forward

We do enjoy seeing such beautiful flowers in our Church, week by week. Praise the one who creates such beauty to cheer and thrill us! Thank you to everyone who brings flowers to display, and to distribute afterwards. Also thanks to Norah, who arranges the flower - list, and keeps us right.

## March

Wed 15	Primary School Assembly	10.15am
Wed 22	Church business meeting	7pm
