Issue 93

May/June 2014

Things are altering in our village! In this picture above we can see the house next to the church has been converted to 3 apartments, the post office is no longer 2 doors away, but has been relocated to the 'Costcutter' shop and replaced by 2 more apartments, the old chemist, 'South Hylton Drug Store' is now a beauty salon, the fruit shop is soon to be restored and renewed – it's all changing, as time goes by.

However, there's one thing which we know for certain will never change. God's love, there 'in the beginning' has never altered, nor changed with time. He reaches out to us, in that love, and awaits our response.

Things around us may change, we may worship in different ways as the years come and go, but we worship the same unchanging God, known to us in Jesus, and present with us in the person of the Holy Spirit.

May we always remember that 'This God is our God, for ever and ever (Ps.48v14) and be glad we belong to Him.

Shaun Newton walked the 'Jesus Trail' in March

To raise funds for the chaplaincy in the Nazareth Hospital (EMMS) Shaun led a group of hikers who walked 55 miles over 5 days, and followed the route from Capernaum to Nazareth.

It was a blessed and profitable time, and Shaun raised £5655.00 in sponsorship.

He is very grateful for so much generous support and much faithful prayer.

Whit Sunday?

Nowadays Whit Sunday is not celebrated and remembered as it was in former days.

As we remember the outpouring of the Holy Spirit on the Day of Pentecost, (Acts ch 2) , This year let us ask that we may know and feel Pentecost power, in these days, and allow the Spirit to work in and through us .May others see the Lord as we live for Him.

And a prayer...

Dear Lord,
May we begin each day in your presence, knowing your peace, and your guiding hand.
May we continue throughout each day knowing your nearness and blessings.
May we feel your Spirit strengthening and working in and through us.
And may we end each day finding rest and peace through the night.
In Jesus name Amen
